

Poster Session Guidelines

The poster session is a valuable opportunity for authors to give a clear overview of their work and to meet other delegates for in-depth technical discussions.

Authors should install their posters on the panels erected in the exhibition hall on Sunday 14th March.

The poster recommended dimensions are 1.2 x 0.8 m (A0 format), and cannot exceed these dimensions.

The poster session will be the morning and afternoon breaks on Tuesday 16th March (9.30 – 10.00 am and 2.30 – 3.00 pm) and subject to time, additional viewings will be arranged on Monday and Wednesday during the luncheon break. Authors will be introduced to the attendees and given a few minutes to explain their posters before the poster sessions commence.

Authors should stand close to their posters during these periods. Authors are also encouraged to remain close to their posters during other coffee breaks.

No poster will be accepted without a fully registered author to present it. The authors will be responsible to remove their poster by the end of the conference.

Poster Preparation

- Be careful to ensure simplicity and clarity of content,
- Avoid overwhelming the visitors with too much information. Each poster should carry a limited number of messages (3 to 4).
- The poster content can be presented in two columns or in boxes (like in the template).
- Organize the material in a logical sequence that is clear to

- readers (typically starting at top left and ending at bottom right)
- Avoid using too many colours.
- Use pictures, graphs and diagrams, and tables instead of text where possible.
- Text and illustrations should be easily readable from 1.5 m distance.
- Text should be dark on white or light background.
- Avoid abbreviations, acronyms and jargon.
- Try to present the main results in 6 lines or less.
- Use Arial or Helvetica fonts, not smaller than 20 pts.
- Illustrations should include legends and titles, labelled axes and identified units.
- Margin stops should be 2 cm.

Poster Content

- Title, author names, and affiliation, across the top of the poster (size 48 pts).
- The poster table of content should include:
 - Introduction/ Objectives
 - Statistical / Analytical / Scientific Methods
 - Results
 - Conclusions
 - Perspectives
 - Acknowledgements (if needed)

Inclusion of Posters in proceedings

Authors who submit posters electronically via the web site at <http://www.hvttconference.com/authors/> will have their Posters including in the HVTT11 electronic proceedings that will be provided to all delegates on arrival. Deadline for Papers and Posters is 31st January 2010.
